Re: Grant to support Police Department Personnel

Action Requested:

Consider and Act on a Resolution approving the terms and conditions of a grant application to the U.S. Department of Justice, Office of Community Oriented Policing Services, for funding of four (4) Patrol Officers, and authorizing the submission of the grant applications by the City Manager or his designee.

Background Information:

This resolution supports the submission of a grant application to the U.S. Department of Justice, Office of Community Oriented Policing Services for the funding of four (4) Patrol Officers. This grant is for funding of four (4) new positions, for the 36-month grant funding period (estimated start date September/October 2009). The COPS Hiring Recovery Program (CHRP) Grant pays 100% of the project budget for 36 months and requires that the city retain and fund those officers' positions for at least one year following the CHRP expiration. (The City fully funds the 4th year and any subsequent years – estimated start date for City funding would be the Fall of 2013).
